They say that people don't care how much you know until they know how much you care! This saying truly exemplifies Marty Sonke @ January Financial. He is friendly, compassionate, intelligent and truly cares about his clients.

My husband Mark and I just funded a refinance that we obtained through Marty. Marty really gave us amazing service and was careful not to just get us any refinance. He took into consideration our entire portfolio, how this refi would affect our income to debt ration, etc. He really knows what he's doing.

We highly recommend Marty Sonke!
